# *To Kill A Mockingbird*
# Research Project

Task: In a small group, research an aspect of life during the time period in which *To Kill A Mockingbird* is set. Your research will answer specific essential questions that add to a bigger idea that your group is investigating.

Components:

1. Group Presentation: Your group will present their research in some way, using graphics and oral explanation of each aspect of your research. Your group presentation should include images, bulleted points, graphs or charts, and other visual information. It should AVOID lengthy writing or graphics too small to be viewed from a distance. Each member of the group will be responsible for their part of the presentation, as well as orally outlining the information for that section. **Due Monday, March 6**
